

## THE COMMISSIONERS OF FORFEITURES

---

These Officials sold the real estate of Tories and others who had either gone over to the Enemy or were suspected of not being friendly to the American Cause. They were much more systematic in their Accounts than the Commissioners of Sequestration who dealt, for the most part, with personal property. The Commissioners of Forfeitures also received and paid over to the State Treasurer, Certificates issued by the Auditors to Liquidate and Settle the Accounts of the Troops of this State. Some of the proceeds of the Commissioners helped the Poor. (See The Poor who came out of New York City, in the Chapter on "The Provincial Congresses").

The Committee of Safety, Mar. 1, 1777, passed a Resolution relative to the Commissioners of Forfeitures. Doubts having arisen in regard to the bearing of this Resolution upon the State Treasurer, a law was passed for the removal of such doubts. The Treasurer acknowledged the receipt of over £9000 under this Resolution, between May 11, 1777, and July 1, 1779. This he describes as "Monies due to Persons who were within the Enemies Lines, or out of the State; or to Persons who had refused to receive Contin'l Money". During a part of June, 1779, and thereafter, the Treasurer declined tenders of Depreciated Money because of his doubts regarding the Resolution, noted above.

The work of the Commissioners of Forfeitures did not begin till late in the War. The law of Oct. 22, 1779, really started the work by giving the names of many individuals whose property had been attainted. The law of Mar. 10, 1780, directed the Commissioners to sell property of this sort at once. On May 12, 1784, the Governor was authorized to appoint seven Commissioners. The office of Commissioner of Forfeitures was abolished, Mar. 21, 1788; and all the powers pertaining thereto were given to the Surveyor-General, Simeon De Witt. He had authority to sell all Lands Forfeited to the State. His Accounts show that the purchasers paid for the Lands in Certificates of these kinds, Levy, Depreciation, Claim and Principal.

The law of Apr. 11, 1792, repealed the law of Oct. 22, 1779, so that those named in the latter might return; but the law did not affect the status of their property. On Dec. 18, 1792, a law was passed for the relief of several of the individuals whose property had been taken.

The State Treasurer, in August 1794, stated that he had received £109005.11.0 1/4 in Claims against Forfeited Estates which had been liquidated and lodged in the Treasury.

For convenience, the State was divided into these Districts:— Eastern, Middle, Southern and Western.

The Eastern District included the Counties of Charlotte, Cumberland and Gloucester. The Commissioners were David Hopkins and Alexander Webster. They were paid 24/— per day, and they were assisted by many Appraisers. Hopkins' Sales, from October to December, 1784, were £9982.2.0; in 1785, £6113.19.3; and, in 1787-1788, £584.17.3. Webster's sales, in

1786, were £4160.4.7 1/2, and £21149.10.1. The amount of their joint Sales was about £40000. They were given Levy Notes or Depreciation Notes for the purchase of Lands; and they turned the same over to the State Treasurer.

The Middle District comprised the Counties of Dutchess, Orange and Ulster. Samuel Dodge, Daniel Graham and John Hathorn were the Commissioners. Their pay was 24/— per day. (See law of May 12, 1784). The Accounts show that their expenses were £2707.9.3. from Apr. 9, 1780 to Apr. 30, 1785. Graham's Sales, from July, 1785, to May, 1786, were £3075. The Sales, apparently, reached a total of £64363.8.6, those in Dutchess County being larger than in the other two Counties put together. They paid into the State Treasury the following kinds of Notes:— Curtenius' Barber's Levy, Loan Office, Horse and State Agents'.

The Southern District, in charge of Commissioners Isaac Stoutenburgh and Philip Van Cortlandt, included the Counties of Kings, New York, Queens, Richmond, Suffolk and Westchester. Among their papers is a Resolution of the Convention, Feb. 11, 1777, which describes William Lounsbury as "one of the persons concerned in Spikeing the Cannon at Kingsbridge & who afterwards joined the Enemy and was slain".

The Commissioners paid to the State Treasurer Depreciation Notes, as well as all the other kinds of Notes named in the Middle District, above—all of which were received from the purchasers of Lands. In 1788 and 1789, the Treasurers of the Counties of Queens, Suffolk and Richmond paid to the State Treasurer Certificates issued for Claims against Forfeited Estates, the same being receivable under the Tax law of Mar. 9, 1788. The total of Sales was £502709; of which the Estates of Col. Frederick Phillipse brought £107532; and those of James De Lancey, £113144. The Commissioners paid into the State Treasury many State Agent's Certificates for Notes due to Col. Phillipse. (See law of Nov. 11, 1784); and his Slaves were the cause of many Accounts sent in by the Supervisors of Westchester County. The Slaves owned by persons whose property had been forfeited often became a charge upon the several Counties, and the bills for their support were sent to the State. (See law of Mar. 2, 1792).

In the Western District, the Commissioners were Jacob G. Klock, Henry Oothoudt, Jeremiah Van Rensselaer and Christopher Yates. The District contained the Counties of Albany and Tryon. Their Accounts are much more complete than the Accounts in the other three Districts. In 1785, they were paid 5/— per day; but this had risen to 24/—, in 1787. On account of the large area of the District, they had many bills for Surveyors, Chain-Bearers, Boats and Provisions. They gave over to the State Treasurer the following kinds of Certificates which they had received for the purchase of Lands:— State Agent's, Depreciation, Levy and Loan; also Barber's Notes and Horse Notes.

In Albany County, Certificates for Claims against Forfeited Estates were paid into the State Treasury on account of Taxes, pursuant to the laws of Apr. 11, 1787 and Mar. 19, 1788. In the documents relating to Tryon County there are many Mortgages, executed before the War to parties whose Estates were afterward Forfeited. There are also many of the original Deeds, given by the Commissioners and by the Surveyor General to purchasers of Forfeited Lands.

The following papers, relating to the Estates of James DeLancey, Col. Frederick Phillipse and Col. William Bayard, are among the records of the Commissioners of the Southern District.

This was the usual form of a Claim against a Forfeited Estate:—

New York SS.

I Richard Morris Esquire chief Justice of the State of New York, do hereby certify and make known to whom it may Concern that on the petition of James Duane of the said City Esquire in pursuance of an Act of the Legislature of the Said State entitled, "An Act for the Speedy sale of the confiscated and forfeited Estates within this State and for other purposes therein mentioned" passed the 12th of May 1784—I Have examined and heard and according to equity and good Conscience determined the Claim and Demand which the said James Duane hath and doth make against the forfeited Estate of James DeLancey late of the City of New York Esquire

To Gerard Bancker Esq<sup>r</sup>. Treasurer of the State of New York.

Col. Phillipse lived in Yonkers, and his Manor house is now the City Hall of that City. He died in England; and his tomb in the Cathedral at Chester is one of the attractions of that noble building. The Book-Accounts of, and small debts owing to, Beverly Robinson are very numerous.

Claims were extinguished in this way:—

At a meeting of the Commissioners for extinguishing Claims against the State for lands sold under the Authority thereof, the Title to which has failed, held at the City of Albany on Tuesday the 24th day of August, 1813 —

Present — Simeon DeWitt, Surveyor General, Archibald McIntyre, Comptroller Abraham Van Vechten, Attorney Genl.

Robert Bogardus made application for compensation for Certain Lots & Parcels of lots of ground heretofore sold by the Commissioners of Forfeitures for the Southern District of this State to George Fisher, deemed to have been forfeited by the Attainder of James DeLancey, Esquire, & described as situate in the Outward of the City of New York, with reference to a Map made by Evert Bancker of the said City Surveyor of part of the real estate of the said James DeLancey.

On examination of the Applicant's claim it appears.

1. That the said Commissioners, on the thirtieth day of May in the year One thousand Seven hundred & eighty five, sold & conveyed twenty three lots of ground, situated in the then Outward of the said City to the said George Fisher for the consideration of Five Hundred & Eighty eight Pounds & described the same in the said Conveyance, numerically by Lots Nos. 1899 to 1921, inclusive, of Square No. 73, with reference to a Map made by the said Evert Bancker, of part of the real estate of the said James DeLancey and bounded northerly by the Southerly bounds of Peter Stuyvesant.

2. That the said Evert Bancker by mistake laid out some of said Lots & parts of others, North of the southerly bounds of the said Peter Stuyvesant, by reason whereof the title of the said George Fisher to such of the said lots & parts of lots as are situate north of Stuyvesant's Southerly bounds has failed.

3. That the lots & parts of lots so conveyed being within Stuyvesant's bounds amount in quantity to six lots.

4. That George Fisher died prior to the Year One Thousand Eight hundred, leaving John E. Fisher, Eleanor Fisher the wife of James B. Clarke & Maria Fisher the wife of Peter Clarke his heirs at Law.

5. That by a deed of partition, made & executed between the said Heirs on the twenty sixth day of June One Thousand Eight hundred, the said John E. Fisher & James B. Clarke & Eleanor his wife released & conveyed all their right & title to the whole of the aforesaid lots to the said Peter Clarke & Maria his wife in fee.

6. That the said Peter Clarke & his said wife, on the eighth day of June in the year One thousand Eight hundred & four, released & conveyed their Right & Title to the same lots in fee to the applicant.

The applicant has therefore a just claim to compensation for the lands so as aforesaid sold & conveyed under the authority of the State, the title to which has failed in the manner aforesaid, which according to the price paid therefor to the State amounts to Three Hundred & Eighty-three dollars & forty eight cents, to which interest must be added at the rate of six per cent per Annum from the thirtieth day of May One Thousand Seven hundred & eighty five, making in the whole One Thousand & thirty two dollars & Ninety nine Cents.

Whereupon Resolved, if the person administering the Government shall approve thereof, that upon the Applicants Sealing & delivering to the Comptroller a full release of his Right, Title & Interest in & to such of the said Lots & parts of lots as are situate North of Stuyve-

sant's Southerly bounds, duly proven or acknowledged, the Comptroller shall draw his Warrant on the Treasurer in favor of the Applicant for the sum of One Thousand & thirty two dollars & ninety nine cents.

Archibald W. McIntyre, Comp'r  
Ab. VanVechten Atty. General

1813. August 12. I assent to and approve of the above proceedings.

The papers relating to the Forfeited Estate of Col. William Bayard are voluminous. The final settlement of the State with his heirs is of more than usual interest:—

State of New York Ss. George Stanton of the City of New York being duly sworn deposeth and saith that he is well acquainted with the Lots Buildings and Docks described in the within Schedule — That they are Lots and Water Lots which in the year one thousand seven hundred and eighty three belonged to the Estate of William Bayard Esquire, late of the City of New York deceased and upon which great improvements have since been made — That the Deponent together with George Gosman of the Said City of New York hath examined and valued said Lots Buildings and Docks, and the annual rents thereof, and that the valuations thereof contained in the within schedule are just and true, according to the best of his judgment and belief — and that the aggregate value of the said Lots Buildings and docks, if any thing, exceeds the sum of one hundred and four thousand seven hundred and eighty dollars, and that the aggregate annual value of the said Rents if any thing-exceeds the sum of six thousand seven hundred and twenty two Dollars —

The above named George Gosman being also duly sworn deposeth and saith that he is well acquainted with the Lots and Buildings and Docks described in the said within Schedule and that this Deponent together with George Stanton aforesaid hath examined and valued the said Lots buildings and docks and the annual Rents thereof and that the valuations thereof contained in the said within Schedule are just and true according to the best of this Deponent's Judgement and belief — He further saith that the aggregate value of the said Lots Buildings and Docks if any thing exceeds the sum of one hundred and four thousand seven hundred and eighty dollars; and that the aggregate annual value of the said rents if any thing, exceeds the sum of six thousand seven hundred and twenty two dollars —

At a meeting of the Commissioners for extinguishing Claims on the      day of February 1807.

Present.—

Simeon DeWitt, Surveyor General  
Archibald McIntyre, Comptroller  
John Woodworth, Attorney General

Catharine Bayard presented her Claim to this Board for compensation in extinguishment of her right of Dower of and in certain Messuages and Lots of Ground in the City of New York, alledging that She was the wife of William Bayard late of the Said City who was convicted of adhering to the Enemies of the People of this State and his property thereby confiscated and sold by the Commissioners of Forfeitures.

The following facts appear .....

1<sup>st</sup>. The Said William Bayard was attainted by act of the Legislature on the 22<sup>d</sup>. October 1799.

2<sup>d</sup>. It appears by the affidavit of William Bayard of the City of New York Merchant that before and at the time of the attainder the Said Catharine Bayard was the wife of the said William Bayard that they cohabited together until about the 24th. day of December 1804 when the Said William Bayard died, it also appears by the Said affidavit that Catharine Bayard is living and of the age of about 72 Years, that the Said William Bayard at the time of his attainder was seized of the following Lots and Parcels of Land in the City of New York, Viz. Lots No 157, 39, 41, in Pearl Street, No. 55, 57, in Water Street, No. 60, 61, 62, 63 in Front Street No. 30, 31 in South Street also one other Lot in South Street now owned and occupied by John Suydam Lot No. 17 in Bridge Street, also certain other Lots at Greenwich on which

are erected the dwelling House and outhouse of the deponent William Bayard, also the Lots at Greenwich on which are erected the dwelling Houses of Mrs. Elder and Mrs. Cameron.

3<sup>d</sup>. The Premises above described were sold by the Commissioners of forfeitures of the Southern district as the property whereof William Bayard was seized at the time of his attainer.

4<sup>th</sup>. It appears by an appraisment made on the 26<sup>th</sup> day of December 1805 by George Stanton and George Gosman under oath that the rent or Yearly Value of the preceeding Lots and premises amounts to \$6722 and the total Value \$104,780.

5<sup>th</sup>. Mrs. Bayard is entitled to Dower in other Lands situate in different parts of this State, but has offered to execute a Release of all her right of Dower to which she is entitled as the wife of the Said William Bayard who was attainted for the Sum of \$6000.

This Board having considered the Said Claim, do thereupon Resolve that in case the Person administering the Government of this State, shall approve hereof that the Sum of \$6000 be paid to the Said Catharine Bayard on her releasing to the People of this State her right of Dower of and in the premises above described and of and in all other Lands and Tenements within this State whereof the Said William Bayard was seized at the time of his attainer, And that the Comptroller draw his warrant on the Treasurer in favor of the Said Catharine Bayard for the Said Sum of \$6000.
