JANET SNYDER - IN MEMORIAM

The Historical Society and the Genealogists have lost a loyal and helpful supporter with the death of long-time member **Janet M. (Sturgis) Snyder**. Born 26 February 1929, she died suddenly 23 April 1993.

She was an inveterate researcher on her family and also did research for many others. Her mind held endless details of family connections and Clinton County lore. She held offices, served on committees, collected materials, and presented programs. She gave material generously to the archives where more than forty of her donations are documented, and she also was instrumental in prodding others to donate family research and other items.

Janet was the champion recipient of the Clinton County Pioneer Certificates issued in 1989-90, and she wrote her family's history for the 1980 History of Clinton County.

We will miss her friendly presence at meetings and remember her for her continuous activity on behalf of our organizations.
