# Introductory

In issuing to the public the latest edition of the Ann Arbor, Ypsilanti and Washtenaw County Directory, the publishers have every confidence that the work will be appreciated more than ever before, no effort having been spared that experience and painstaking care could contribute to make it complete and reliable. All those features which have commended themselves in directory work in the past have been retained, and new ones have been added, and the work is equal in every respect to the largest metropolitan directories, possessing in addition some features peculiarly adapted to this community. To those who have aided in its successful production, either by their patronage or by furnishing necessary data, our cordial acknowledgments are returned.

This directory is the first to contain the "Trademark Insurance Section," which tells would-be purchasers who are the local dealers for various nationally-advertised goods. The benefit to the local merchants is obvious.

The work contains 962 pages. Of these the first 107 pages are devoted to useful information relating to the city of Ann Arbor and county in general, embracing a street and avenue guide and directory of householders and of those who are engaged in business, arranged by streets and numbers; every department of city and county government; full information concerning banks, cemeteries, churches, hospitals, incorporated companies, libraries, periodicals, parks, the postoffice, public buildings, railroads, public and private schools, etc.

This is followed (pages 109-448) by an alphabetically arranged directory of business firms and private citizens in the city of Ann Arbor. A similar arrangement (pages 449-617) follows for Ypsilanti. Succeeding this (pages 618-712) are alphabetically arranged directories of Bridgewater, Chelsea, Dexter, Dixboro, Manchester, Milan, Pittsfield, Salem, Saline, Urania, Whitmore Lake, Whittaker, Willis and York.

A Classified Business Directory of all persons doing business in the county will be found on pages 713 to 840. This department shows the various manufacturing, mercantile and professional occupations in alphabetical order by towns and constitutes an epitome of the business interests of the county. The final pages are devoted to a list giving name, section, number of acres, assessed valuation, name of township and postoffice addresses of all farmers in Washtenaw county.

The Directory is placed by us in the Libraries of the various directory offices throughout the United States and Canada, where it serves as a lasting advertisement for Washtenaw county and its business interests.
