ANCESTOR'S SERVICE.

Any person may be eligible to membership in the Society who is a male above the age of twenty-one years, and is described from an ancestor who assisted in establishing American Independence during the War of the Revolution, ether as a military or naval officer, a solidier or a sailor, an official in the service of any of the thirteen original Colonies of the United Colonies or States, or of Vermont; a member of a Committee of Correspondence or of Public Safety, or a recognized patriot who rendered material service in the cause of American Independence.

When the applicant derives eligibility to membership by descent from more than one ancestor, and it is desired to take advantage thereof, the history of each of said ancestors' services and the intermediate generations of the pedigree may all be written upon these pages; but it is desired that the history of each ancestor shall be written upon a separate blank. The necessary blanks may be obtained of the secretary.

State fully the documentary or traditional authority upon which you found the following record, and also the residence of ancestors, if known.
